North Puget Sound League (NPSL) is a competitive youth soccer league that is a partnership of Washington Youth Soccer District 1 and District 2 and their eleven YSAs comprising over 57,000 youth soccer players. NPSL's mission is to supply a competitive venue to its teams that makes geographic sense and is not limited by District or Assn boundaries, is economical in both cost and time, and ensures "like or comparable" competition. The NPSL is sanctioned by Washington Youth Soccer.
